WEEKLY 'HEAD'-LINES

Issue: 16
Friday 7th February 2020

Dear Parents and Carers,
We have had another great week at Grange Primary. Next week brings Safer Internet day. Here is some information to explain a little more.

Safer Internet Day 2020
Safer Internet Day is on 11th February this year and will be recognised globally with the theme: Together for a better internet.

What is Safer Internet Day?
Safer internet day is coordinated in the UK by the UK Safer Internet Centre but is acknowledged across the globe. Its aim is to inspire a conversation about using technology responsibly and urges parents, schools and other organisations to get involved.

Resources for parents
The UK Safer Internet Centre have produced a series of short films for SID in which they asked young people to give their advice for parents/carers about how they can talk to their children about their online lives. The clips are available to watch here:

We hope that you can get involved on Tuesday 11th February! Have a great week!
