

WEEKLY 'HEAD'-LINES

Issue: 30
Friday 12th June 2020

Dear Parents and Carers,

As you will know, we have welcomed back some of our children in Nursery, Reception and Year 1 over the last week. It has been wonderful to have some more children back on site. It has given everyone a real boost to see the happy, smiley faces of these children! Thank you to staff, who have worked tirelessly to make sure this return to school happened as safely as possible. We also look forward to welcoming some of our Year 6s back on Monday. We know that some parents have made the decision to keep children at home and we fully support and respect this.

Children who are not back at school yet should be continuing to access online learning via Class Dojo. Please bear in mind that staff response times to posts and messages are likely to be longer, as they will be teaching during the school day. A letter going into further detail about home learning will be going out this week.

If you accessing the childcare care provision for children of critical workers and those in vulnerable groups, please can you ensure that children are being picked up promptly between 2.45 and 3pm as staff need to leave the site promptly so the cleaning team have full access to the site.

Please can we ask that there are no bikes or scooters on site for the time being. Thank you

Stay safe.

Mrs Charlotte Summers
Headteacher

Email Protocol - a message to our parents and carers

As we all adapt to the "new normal" it is very important to us that we work closely with parents and carers to ensure the regular communication between home and school remains. In the absence of being able to meet face to face with staff, it might mean an increase in email communication.

Contacting the school via email:

Supporting the young people in our care and managing the wellbeing and workload of our staff team is paramount. We also want to continue to support our parents and carers by responding to parental queries at the earliest opportunity. Whilst our Headteachers, teachers and associate staff are prioritising the smooth running of our schools and the reintegration of our young people, they may not be in a position to respond to emails straight away. Also, for the wellbeing of our staff, we do not expect staff to check or respond to work emails during their personal/family time.

Expectations for email communications between parents / carers and our staff:

Emails from parents/carers will be responded to during school working hours (8am-4pm).

Our staff will respond to you as soon as possible and within three working days. This does not include weekends or holidays. Part-time staff may take longer to reply. If an urgent response is required, please contact the school office.

We will continue to monitor our approach to email communication to improve the process further and welcome any feedback you may have.
